## INFORMATION ON FELLOWSHIPS AND FINANCIAL AID 2010 - 2011

*Please read this information and follow instructions carefully*

The Bologna Center allocates part of its annual budget to student financial aid. The amount available is limited and is generally distributed in the form of partial tuition grants to students who demonstrate outstanding academic merit and financial need. The Center also administers a number of awards (partial and full tuition fellowships) on behalf of donor institutions. All those who wish to be considered for either Bologna Center financial aid or any of the special fellowships administered by the Center must submit the following documents to the Bologna Center by:

**FEBRUARY 1** (deadline for applications for admission and financial aid at the Bologna Center).

- a complete "Application for Admission"
- a complete "Application for Financial Aid", signed by the candidate's parents
- proof of parents' income (tax declaration or other official proof)

Some donor institutions also require that candidates submit a fellowship application directly to them. See instructions overleaf.

Please note that:

- the requirements apply to all candidates, regardless of age or dependency status;
- all awards are competitive and are allocated on the basis of academic merit and demonstrated financial need;
- amounts of support vary, but most awards do not cover the full amount of tuition; therefore, even successful candidates are strongly encouraged to seek **ALTERNATIVE SOURCES**, as listed in the electronic version of this document available on our admission webpage. Most university libraries also carry "Grants Registers" which list sources of funding for education. Internet is also a good research tool for this purpose;
- those who do not adhere to the instructions for admission and the instructions to apply for financial aid as indicated in our application package may be excluded from consideration for admission and financial support;
- The Bologna Center does not grant tuition waivers.

**INFORMATION CONTAINED HEREIN IS SUBJECT TO CHANGE.**

THE PURPOSE OF THIS DOCUMENT IS TO INFORM PROSPECTIVE STUDENTS OF THE GENERAL AVAILABILITY OF FUNDS, AND TO SUPPORT THEIR SEARCH FOR ALTERNATIVE SOURCES.

FOR A LIST OF POSSIBLE ALTERNATIVE SOURCES OF FUNDING, SEE INFORMATION ON FELLOWSHIPS AND FINANCIAL AID ON THE BOLOGNA CENTER WEBSITE AT:
